

Directed Energy Torture Site.

Year: 01/2015 to 02/27/16

Address: 558 West 164th Street, New York, NY. 10032

Suspect Apt#5H below. I was on the top floor Apt. 6H (hit from below).

Graphic EQ shows low modulating waveform.
To hear audio go to: www.soundcloud.com/tibuster

Left: Polyurethane microwave RF absorbers used for shielding

Right: A piezo microphone placed on floor was able to pick up audio during periods of activity (low modulation that revs up and powers down).
